SERVING THE COMMUNITY

Your views on the use of the village hall... 2021 survey results

Thank you for your thoughts and ideas. Your responses have provided a really good basis to start building back village hall activities. A full statistical list of the results is available on our web site and will be displayed on our open day, which has been postponed until August. (Date to be Confirmed).

In true fun Rainton style, 80 responses indicated you wish to enjoy events of a **social and celebratory nature**. We will utilise your ideas for events we look at organising, but please **don't wait for us**, we anticipate **you can book the hall from 19th July** for anything legal.

The top single event of interest was a **Pop-up café (19)**. We have a few interested parties that are looking into seeing if we can get a regular facility on the go. With so many great cooks and bakers in the village, it should be an enjoyable hub for meeting friends and using the space as a **Chill Zone (3)**.

75 responses show we are keen on keeping the body and mind healthy. **15 for Yoga** so we have spoken with Autumn, who hopes early 2022 will be a good time to return, as does **Zumba (3)** With **9** asking for **table tennis**; facilities are being organised as we speak. **Rainton Table Tennis Club is on its way**.

With many days in the week, we are also looking into daytime exercise classes and the idea of classes aimed at people with a gentler appreciation of fitness. **Pilates** inspired **12** responses, **Aerobics 9**, **Bowling 6** – (the bowling club meets Thurs EVE 7.30 Sept to March and welcomes new members) **Dancing 7**. If you are interested in starting a group, please let Jenny; our secretary know on:
raintonvillagehall@btinternet.com

16 of the 50 wanting special interest groups showed how much love the **Gardening club** invokes. Open to all and currently enjoying a summer season of garden visits. They will be back in the hall come September ready to thrill you all with great speakers. A **Book Club** and **History group** both had **9** responses, **so we are on the ball and looking to organise the first historical interest event for later in the year**. At least **7** responses are looking forward to **Knit and natter** getting back together.

Let us not forget the Arts - **10** responses were interested in **Flower Arranging**, **6 Cake decorating** and **5 painting**, **1 ceramics**. If you know someone who wants to hold sessions or can help us provide opportunities - please let us know or give them our details.

The list of activities and uses is only restricted by your imagination and our space, so if you think it possible, please ask. If you need help setting up a group - we look forward to helping you get started. Insurance for most activities is included in the hire. **To help, while you re-establish clubs and groups, the Village Hall is currently free to hire until Christmas, for current and new users wanting to set up regular sessions for enrich life in our community***. (*charges apply for one off parties and events)
