RAINTON GARDEN CLUB

Our final garden visit of the summer takes place on Tuesday 23rd August when we will be given a guided tour around the gardens and facilities at Horticap in Harrogate. Because the nights will be starting to draw in, we'll start a little earlier at 7.15pm at Horticap. Full details will be emailed to garden club members.

TABLE TENNIS CLUB

Adult social Table Tennis continues throughout the summer on Monday and Wednesday evenings-all welcome!

JUNIOR TABLE TENNIS SESSIONS'

Junior table tennis coaching sessions are available at the village hall during August(5th,12th,19th and 26th) starting at 11.00 am

The sessions are intended for local young people to experience table tennis and understand the fundamentals in a supportive,structured and fun way. Parents and guardians are also encouraged to attend and join in sessions if they want to.

For more details and to book a session please contact Bob Moffat on 07850 271483 or moffatbob@hotmail.co.uk

KNIT & NATTER

Every Wednesday morning from 10.30am-12pm in Rainton Village Hall. We do ask for a small donation of £2.00 to cover hall costs and any extra materials we may need.

Bring your needles and join us - we look forward to seeing you soon!

Many thanks Jill Fish - 01845 577157

PARISH COUNCIL NEWS

- The Council has appointed a new Clerk, Mrs Sarah Adamson. Sarah has nine years' experience as the Clerk to High & Low Bishopside (Pateley Bridge) and lives near Bedale. If you have any queries about the work of the Council or if you have any concerns you feel the Council should be aware of, then please do get in touch with her – ideally via email raintonclerk@gmail.com please as she only works for several hours a week, but will reply as soon as possible.
- Harrogate Borough Council has had a 'Litter Bin Review' to streamline the service, so in the near future you might notice that the bins in the village will be bigger, although the one in the centre will be removed. Dog waste (bagged of course!) can be put in any bin from now on as it can be disposed of along with the general waste. The new bins will all display explanatory graphics.
- Street lighting problems: most of the street lights in Rainton belong to Harrogate Borough Council and are known as 'parish' lights, although North Yorkshire maintain them. The lights belonging to North Yorkshire are identified by a black number on a yellow background – this is an anomaly which we hope will be ironed out with the advent of the new unitary authority in May 2023. In the meantime, the Parish Council is pursuing the issue.
- Road closure and bridge repair: along with the street lights problem, the impact of the closure of the bridge has been reported to our MP Julian Smith and our new County Councillor, Nick Brown, in the hope that they can encourage the Highways Dept at North Yorks to expedite the works.
- The Council is looking into the problem of those verges which form parts of the Village Green encroaching onto the footpaths making passage difficult for wheelchairs and buggies. As Custodian of the Village Green, the Parish Council has responsibility for its maintenance and will be carrying out a detailed survey before taking remedial action. As the Custodian, the Council would like to gently remind residents that village greens are for 'lawful sports and pastimes' and must not be used for car parking!

HELPING YOUR COMMUNITY THRIVE

The Village Hall committee is looking for new volunteers to join us. We will sadly be losing some of our valuable team, as they move from the local area. If you are interested in sharing a little of your time & skill, we'd love to welcome you on board. If you have book keeping skills we will also be needing someone to take on the role of treasurer, later in the year.

Please contact Gill Common on 07585151910, or gillcommon@icloud.com, to find out more.

RAINTON RECREATION ASSOCIATION

Thank you's

Dave Gibson - for laying the new edge, around the area of bark.

Benn at White Rose Cleaning - for his continued support and for the new "No dogs" sign.

Ink jet cartridges

Yes please! Box in village hall porch. Thank you.

Metal to recycle

I need more to sell for cash for the park.

THE GARDENER'S DIARY With Martin Fish

After the very hot and dry weather in July, there is talk of another heatwave in August, so we'll have to wait and see what we get? At the moment, even though we've had a couple of light showers, gardens are looking parched, especially lawns. Don't worry though, because when it does rain, they will soon green up!

Dead head roses, summer perennials and containers plants little and often to encourage the plants to carry on flowering into early autumn.

Pelargoniums and fuchsias can be increased now by taking short cuttings that can be rooted in small pots on a shady windowsill.

Give hedges a trim now to tidy them up and to keep them in shape all through the autumn & winter months.

Keep the soil around the roots of runner beans and courgettes moist to keep them growing and fruiting if the weather is hot and dry.

If growing tomatoes, pinch out the growing tip of the plant to prevent more flower trusses forming. By doing this in early August it allows time for all fruits to develop and ripen by October.

There's still time to sow beetroot, carrots, lettuce, spring onions, spinach and other leafy veg to enjoy through the autumn. After sowing keep the soil moist to help the seeds germinate.

Check apples and plums and if fruits are starting to turn brown and rot, they should be removed and disposed of. This is known as brown rot and if left on the tree it soon spreads to healthy fruits.

For more weekly gardening tips and advice from Martin visit "Pots & Trowels" on Facebook or subscribe on YouTube for free.

DOG FOULING

Once again we have been asked to mention a rise in the incidents of dog fouling in the village.

This is very unpleasant - particularly if you are unfortunate enough to step in something left behind by another villager's pooch!!!

Please could all dog owners make sure they pick up after their dog.

Many thanks.

By liking Rainton with Newby Village

Hall facebook page

@raintonvillagehall you can keep up-to-date with all the latest news and events.

If you would like to help support Rainton Village Hall by advertising in the monthly newsletter please contact Paula on paulagittings123@btinternet.com

USE OF DEFIBRILLATOR.

When the AED (defibrillator) is taken from its cabinet, please return it with the battery indicator facing outwards and the machine up the right way.

This enables the next user to grab the machine by its handle and allows the regular checking of the battery to be carried out without removing the AED from the cabinet. Thank you.

CREATURES GREAT & SMALL

Dog boarding for holidays

All dogs are kept in the house *not* outdoor kennels.

During the day dogs are with me at my livery yard.

I also have 1 space available for day dog care. Picked up in a morning, dropped off at night.

References available. I have been in the business for 15 years
